### DESIGNER ARTIST MA

Every applicant is sent detailed information about the date and time of the prolonged admission exams and the technical information in an electronic format.

### THE PROLONGED ADMISSION PROCEDURE

#### Admission Procedure Requirements

1. Portfolio
2. Oral interview: assessment of design and creative skills based on an online presentation.

Materials to be submitted: portfolio + statement + covering letter including an ID photo

#### **1st Portfolio**

The portfolio should contain - without being restricted by formalities - any significant document - including real information connected to the submitted assignments - that the applicant finds significant in their professional life (studies in BA/BSC or results of any other formal education or extra-curricular activities, professional results, possible art studies as well). The professional (design) pieces might be: free-hand or computerized drawings, models or photos taken of finished objects, animations, etc.

The total size of the submitted material cannot exceed 30 MB.

### Compulsory appendices:

- A statement of submitting only own, independent pieces of art. The statement can be downloaded here: <http://metropolitan.hu/muveszet/felveteli/felveteli-vizsga>
- The covering letter should include the followings: where and in what field you have completed BA, why you choose design as further education, what is the appeal to you in design, what particular field of this profession you are most interested in, what skills you wish to develop, what else would you like to study (in the future), whether you have any expectations of the design education at METU.
- A document proving that you have paid the admission fee.  
*(Please do not pay the admission procedure fee before you have received your information email containing your individual personal code provided by METU. Thank you for your patience.)*

### **2nd Admission interview**

The aim of the interview is to assess and get to know the applicant's motives and opinion regarding the followings: the consequences of previous studies, professional (or personal) motivation, professional and other fields of interest, own professional expectations, future prospects, professional knowledge (of about Hungary and internationally), the applicant's thoughts and ideas about design, etc. Explain your short-term, mid-term and long-term plans in terms of the profession to be studied. During the interview you will have the opportunity to pose your questions to the Board.

For this part of the exam you will need stable internet connection, as well as a device equipped with a camera, speakers and a microphone that can be used for a video conference.

**The period of uploading the portfolio and the compulsory appendices:** to the storage place specified in the personal information letter.
