### THE PURPOSE OF THE SUBJECT, LEARNING OUTCOMES:

The goal of the course is to introduce students the theoretic and practical aspects and connections in and of diplomacy. Understanding the complexity makes the students able to develop deeper and more comprehensive knowledge according to their individual career needs. In the frames of the course former and active diplomats share their knowledge and experience with the students. The knowledge covered during the course deals with all aspects of diplomacy. It is important to make distinction between foreign policy and diplomacy. They are overlapping areas but the course will focus on diplomacy.

### SUMMARY OF THE CONTENT OF THE SUBJECT

The dynamics of the class is also based on the individual interests of the students which is assessed at the first class.

During the course the students will be familiar with the basic readings and sources of diplomacy and they will understand the ways of deepening their knowledge on diplomacy.

### STUDENT'S TASKS AND PLANNED LEARNING ACTIVITIES:

During the course the students need to fulfill a complex requirement. The tasks need individual and team work and the ability to present ideas in front of the group in oral and in written form. The individual tasks are assigned at the beginning of the course related to the individual interests, needs and career goals of each student.

### EVALUATION OF THE SUBJECT:

Evaluation during the course is complex and based on the complex requirements and it is related to the individual interests, needs and career goals of each student. Attendance is a must.

Offered grade can be given: Yes.
